## Christian Counseling

**Christian Counseling** is providing guidance and instruction based upon the principles set forth in the Bible and taught and adhered to by Jesus Christ. The fundamental tenets of Christian Counseling are: The Bible is the eternal, unchangeable Word of God and provides the sole authoritative source of the model of man and the principles that dictate and govern man's behavior. There is a moral and ethical right and wrong, and these are clearly defined in the Word of God. Man is held accountable to the moral and ethical principles found in the Bible.

**The Bachelor's degree in** Christian Counseling is designed to train you to serve as a counselor in local churches and other ministry settings by laying the theological foundation of counseling in strict accordance with Biblical principles and standards that will meet the needs of people spiritually, emotionally, therapeutically, and educationally.
