

# Master's Degree Christian Counseling

**Christian Counseling** is providing guidance and instruction based upon the principles set forth in the Bible and taught and adhered to by Jesus Christ. The fundamental tenets of Christian Counseling are: The Bible is the eternal, unchangeable Word of God and provides the sole authoritative source of the model of man and the principles that dictate and govern man's behavior. There is a moral and ethical right and wrong, and these are clearly defined in the Word of God. Man is held accountable to the moral and ethical principles found in the Bible.

**The Master's degree** in Christian Counseling /Psychology is designed to broaden the understanding of the multi-faceted aspects of Christian counseling and to prepare students to apply Biblical truths and principles in their counseling and ministry. In the Master's degree program, the curriculum consists of major subject area courses, specialized coursework inside a particular field of study, as well as an emphasis of the spiritual dimension of the inner man.
