**The Christian Ministries Program** is designed to develop your abilities and spiritual gifts for leadership and ministries within the church. DBC's Ministry training focuses on God's truth through revelation and illumination in His Word, wisdom and practical insights to help you study God's word and prepare you to teach and share God's word, disciple others, and minister to the specific groups to which you have been called — whether children, youth, adults, families or others.

**The Masters of Ministry Degree** is designed primarily for leaders who desire additional training to better serve within their church or other ministry setting. Accordingly, this program will provide you with the knowledge and skills necessary to systematize and apply biblical truth to the intellectual issues confronting the church and the surrounding culture. The program will prepare you to lead, guide, and teach the congregation through worship and religious education, provide spiritual leadership, guidance, and pastoral care to the members of their church.
